## Missing Children Policy

We are committed to taking care for children as well as we can at Brailsford & Ednaston Cricket Club. Please remember that most children who go missing are found within a few minutes.

If a child for whom the club has responsibility goes missing, the following guidelines have been devised to clarify actions that should be taken.

- Ensure other children in your care are looked after appropriately while you organize a search for the child concerned.
- Inform the child's parents if they are present at the event, or nominate an appropriate person to telephone them and advise them of the concern.
- Reassure them you are doing all you can to locate their child. Remember that the child may contact the parents directly so this is very important.
- Organize all available responsible adults by areas to be searched. It is best to take a short time to organize the search properly so that all places are searched fully.
- Search the area in which the child has gone missing including changing rooms, toilets, public and private areas and the club grounds.
- Request all those searching report back to a nominated adult at a specific point.
- This nominated person should remain at this specific reference point and must be making a note of the events, including detailing a physical description of the child including approximate height, build, hair and eye colour as well as clothing the child was wearing and where/when they were last seen. This information will be required by the police. If the search is unsuccessful you should then report the concern to the police.
- A report should go to the police no later than 20 minutes after the child's disappearance is noted, even if the search is not complete.
- If the police act upon the concern always be guided by them in any further actions to take.
- At any stage when the child is located, ensure you inform all adults involved including the parents, searchers and police if they are then involved.

ALL missing child incidents MUST BE notified at the very earliest opportunity to the Club Welfare Officer, who must immediately notify the County Welfare Officer and they must then notify the ECB CPT.
